Dear Dr. Brown:

Congratulations to you and your most capable staff in making the "3rd Annual RCC Fundraiser" such a tremendous success.

In preparing for the event I was asked by the Trustee's and Director of the Islamic Society of Boston Cultural Center how they could best show their support for the College. We discussed several options and concluded that perhaps the best way for them to show this support is to honor the commitment between the Authority and the Islamic Society of Boston on August 2, 2000. A copy of the aforementioned "Agreement" is attached to the Final Designation Board Memorandum and approved on August 10, 2000 [document enclosed].

Therefore, in honor of the terms of this Agreement and in keeping with the spirit of the holy month of Ramadhan, the ISB would like to present Roxbury Community College with a check in the amount of \$10,000 and request that in all future public announcements, the source of this contribution be attributed to "anonymous".

Once again, congratulations on this splendid event.

Sincerely,

Muhammad Ali-Salaam
