Dear Sir or Madam:

This is in response to your request of October 6, 2003 regarding a copy of the exemption application and the letter of determination for Islamic Society of Boston.

That organization is included in a group ruling issued to Islamic Society of North America, Inc., located in Plainfield, Indiana. That group ruling indicates the organization is exempt under section 501(c)(3) of the Code.

Individual exemption letters and applications for recognition of exemption are not available for organizations included in group rulings. The group exemption letter applies to all of the subordinate organizations on whose behalf the parent organization applied for recognition of exemption.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

John Kennedy
